The SAT Prep class is held on the 3 Saturdays prior to the test. Students must attend **all 3** classes in order to learn all the tips needed to increase your score. The official SAT Prep Guide will be provided at the first class. Class size is limited to the first 20 students that register.

I understand that I must attend all 3 classes to be able to measure success. If I miss a class, I can not guarantee that I will receive all the tips available to me or that my score will increase. I understand that I can not hold Up By The Bootstraps, Inc or any of the instructors responsible if my scores do not increase.
